

Coach Requirements for COVID

- Ensure that all players have checked in through Teamsnap app and are approved for practice.
- If a player has not checked in or believes they have failed the check-in in the app by user error, you may ask the player the check-in questions to confirm they are eligible for practice. Please notify the club with any false fails or manual check-ins that do not happen through the app.
- Players who fail the protocol should not practice or be in contact with the team.
- Sanitize all team equipment - team balls, cones, pinnies
- Enforce CYSC Covid Safety and Action Plan to the best of your ability
- Ensure players social distance and wear masks at all times, within reason
- Communicate with club COVID contact (Andrea Loud) with any questions, concerns, or notifications about players that fail protocol.

Game Day Requirements for COVID

- All of the above requirements, plus:
 - Contact the opposing coach the week of the game to verify unique COVID protocol per club
