

Practice Requirements

- Communicate with club COVID contact (Annie Loud) with any questions, concerns, or notifications about COVID exposure or assumed positive or tested positive COVID cases
- Complete the Team Snap Health check-in (See coach for details)
- Do not send your child to any practice, game, or club activity if sick or if they have symptoms of sickness (cough, shortness of breath or difficulty breathing, new loss of taste or smell, headache, sore throat, nausea or vomiting, diarrhea)
- Ensure child has their own ball, water bottle, pinnie for practice
- Sanitize your child's soccer ball before every team activity
- Carpooling is discouraged. If carpooling is necessary, that parent/guardian is then responsible for check-in of all children that are in that carpool.

Game Day Requirements

- All of the above practice requirements with the exception of the rule about spectating.
