

Cocalico Youth Soccer Club

COVID Safety and Action Plan

In accordance with guidelines set by the Centers for Disease Control (CDC) and Eastern Pennsylvania Youth Soccer (EPYSA), our organization, Cocalico Youth Soccer Club, will return to play with the following safety and action plan.

A. Communication & Education

- All players and parents/guardians will receive communication on our safety and action plan changes.
- CDC Education materials will be shared with all participants (coaches, referees, players, and parents/guardians) on behaviors that reduce the spread of COVID-19. Visit this [link](#) for the latest recommendations.

B. COVID Contact or positive Cases

- If a player or coach tests positive, notify the Club Contact listed below immediately. Then follow CDC guidelines for quarantining and testing recommendations.
- The Club Contact will notify the participating league when applicable and follow any pertinent instructions. The team will also be notified.
- If a player or coach is exposed to COVID, believes they may be positive or has been recommended to quarantine by a physician, please follow the [CDC guidelines](#).

C. COVID Point of Contact

For all Cocalico Youth Soccer Club COVID related policy questions and concerns, the individual name below will serve as the point of contact.

Annie Loud, CYSC President ackennloud@gmail.com, 484-388-3290

The above timelines and guidelines are subject to change as our circumstances change as a society and as CDC and EPYSA guidelines evolve. **CYSC will notify all registered players and coaches of guideline changes via club email communication, and website updates.**
