Supply Checklist (In the shed)

- ☐ Field Liner
- ☐ Full box of white paint cans
- ☐ One Can of orange paint if you need to paint a build out line
 - ☐ Once a can is empty, place it back in the box upside down (indicating it's empty) place a new can in the sprayer, and continue lining.
 - ☐ Once you return to the shed, dispose of all empty cans in the trash can, restock the paint cans from the back so it's ready to go for the next person.

When placing a can in the sprayer, in order to get a good solid thick line, make sure the can's tip is in horizontal with the sprayer.
